Dear Members and Friends

We are grateful for the kind donations during the past year and thank you for your ongoing support for our work.

More than ever the Swiss Church depends on the regular financial support from our members and friends to continue and develop new activities as we experience a further reduction in the financial support we are receiving from the Federation of Swiss Protestant Churches. Their support will come to a complete end in 2018. The Consistoire has increased their fundraising efforts and keep a very tight control over expenses. However, costs for repairs in the church building and for social and cultural activities are expected to increase in 2018. We would therefore very much appreciate your consideration to increase your donation.

Payments by standing order are much appreciated. Present donors who currently pay by standing order need not take any action unless they wish to make an additional payment or authorise an increase in the amount.

We would be glad if you would check to ensure that your address and details on the slip below are correct and notify us of any change.

If you are a UK taxpayer, please return the UK taxpayer form which will enable us to claim an extra 25% from the government on your contribution.

With best wishes
