THE SWISS CHURCH IN LONDON

Renovated by Christ & Gantenbein in 2009/2010, the Grade II listed Swiss Church in London offers two exceptional event spaces, blending its original 1855 design with striking contemporary architectural features.

These rooms are suitable for events, meetings, and rehearsals for both business and community purposes. They feature full accessibility and ample natural light.

Situated in the heart of Covent Garden and within walking distance of Tottenham Court Road, Holborn, and Covent Garden Underground stations, the Swiss Church is an ideal venue in central London.
