

London, June 2025

Dear Members and Friends

We are so grateful for the kind donations during the past year and thank you for your ongoing support for our work which enables us to continue to develop new activities, reach out to residents and the broader Swiss community in London.

We apologise for any delay in acknowledging your individual donations. We aim for the administrative constraints of this period to be resolved as quickly as possible and are grateful for your understanding.

The Swiss Church remains reliant on the generosity of our members and friends. It is thanks to your commitment to the Swiss Church that we can offer Sunday services, pastoral care to the Swiss community and beyond, the weekly breakfast for up to 80 people affected by homelessness and poverty, the weekly 'Breakfast on the Steps Arts Club', multiple high-quality public-facing exhibitions and concerts per year, and a range community events such as our recent Congregation trip to Canterbury.

Our beautiful building at 79 Endell Street is in good condition but requires ongoing investment and care. An update to the air-conditioning system, costing approximately £20,000, is necessary to ensure environmental sustainability and a future reduction of our energy costs. This will be in addition to the regular maintenance costs.

Aware that this may be a difficult request in the current economic situation, we deeply appreciate any increase in the donation you are able to make. *For Members, an annual suggested donation of £100 would be very gratefully received.* Please find the Bank Account Details on the back of this page.

Together, we will be able to take the Swiss Church into its next phase, continue to spread the Good News of the Gospel of Jesus Christ, offer practical help to those in need and foster hope in our society.

Thank you for your support.

With prayers and blessings,

Daniel P. Everett
