

## Dear Members and Friends,

The story of the Swiss Church in London spans across many generations. Sometimes we receive enquiries along the following lines: 'My great-great-grandparents got married at your church in 1853, and I wonder whether you have any records of the occasion?' I enjoy such messages.

Seeing the desired entry in our "old book" can be a moving moment for the relative. Such moments also make me realize afresh the wealth of lived experience gathered up between the walls of our Church. Countless significant encounters and formative events took shape in this place. And, best of all: this continues to this day.

Only thanks to people like you, however, does the life of the Church continue. We thank you for being part of it, whether it is through your prayers, your practical involvement, or your financial contribution.

Your input in one or more of these areas – prayer, practical involvement, financial contribution – is of decisive importance for the Swiss Church. The more people contribute, the more people will be blessed through the Church's ministry. And this is what it is all about.

May we invite you to consider the way you can best be involved?

### Prayer requests:

- Pray for the ~70 homeless and marginalized people who pass our threshold every Tuesday.
- Pray for the (Swiss) people in London who are lonely and isolated.
- Pray for people to find faith, hope and love (1 Kor 13, 13) through an encounter with the living God.

### Opportunities for practical involvement:

- When in London: offer your time to volunteer in our services, events or homeless ministry.
- When in Switzerland: remind the local evangelisch-reformierte Kirchgemeinde about us. Point out the possibility of organizing parish trips to London as well as our dependence on donations from their institution.
- Offer your skills as a Trustee / Member of the Consistoire in one of the following areas: Legal, Fundraising, Communications, IT & Technology, Safeguarding, Company Secretary, Events.

### Ways to contribute financially:

- Make a donation today. Every little counts.
- Set up a monthly donation. This helps our financial planning.
- Consider the Swiss Church in your will (legacy donation). This enables us to secure the Church's long-term viability.

With heartfelt thanks and all best wishes,

Rev Manuel Zimmermann Grey
